

Pressed Flower & Leaves Bookmark

Materials Needed

- * "Pressed Flowers" package by Nature's Pressed with flowers or leaves of your choice
- * Colored cardstock in color of your choice to complement the flowers and leaves
- * Scissors
- * Craft Glue
- * Tweezers
- * Small craft paintbrush
- * Craft laminate sheets
- * 12" of 1/4" wide ribbon

Easy 5 Step Instructions

1. Cut cardstock into 1 3/4" x 5" strips for bookmarks. Punch hole at one end for ribbon
2. Write your name the recipient's name. Or a favorite quote on the bookmark (or leave blank)
3. Remove flowers/leaves from package with tweezers. Store leftovers in package for later use.
4. Using tweezers pre-arrange flowers/leaves as desired on bookmark. You may either use a small craft paintbrush to dot glue underneath edges of flowers/leaves or remove them and apply small dots of glue to the back sides and then re-arrange as desired. Use paintbrush to apply glue under edges to make sure they are down securely Allow to dry.
5. Apply laminate to both sides of bookmark or take it to a copy store to laminate. Thread ribbon through hole in top. Enjoy!
