

Pressed Flower Photo Frame

Materials Needed

- "Pressed Flowers" package by *Nature's Pressed* in colors to complement photo.
- Photo frame of your choice
- Photo mat to complement photo & frame
- White glue
- Tweezers (flat, round tip is best)
- Small craft paintbrush
- Photo of your choice

Easy 4 Step Instructions

1. Place photo behind mat.
2. Remove flowers from package with tweezers. Store unused flowers in package for later use.
3. Using tweezers, pre-arrange flowers as desired on mat. You may either use a small craft paintbrush to dot glue underneath edges of flowers, or remove flowers and apply small dots of glue to back sides and rearrange as desired. Allow glue to dry.
4. Secure photo to back of matboard. Place photo and matboard into frame and secure. Enjoy!
