

Pressed Flower Stickers Scrapbook Page

Materials Needed

- * Grandma's Garden® Real Pressed Flower Stickers of your choice to complement photos
- * Acid-Free cardstock in colors of choice
- * Photo-safe adhesive
- * Scissors
- * Photos of your choice

Easy 6 Step Instructions

1. Mat photos onto cardstock as desired
2. Adhere matted photos onto contrasting paper or cardstock scrapbook page
3. Cut a strip of cardstock 2 1/4" x 10 1/2" from a contrasting color. Adhere evenly to side of scrapbook page (top or bottom use 2 1/4" x 7" strip)
4. Cut additional contrasting colored cardstock into 1 7/8 x 1 7/8" circles, squares, or diamonds, (2, 3 or 4 of each, as desired). Adhere to 2" x 2" squares, circles or diamonds of another contrasting cardstock color. Adhere to colored strip already on page, making sure they are evenly spaced.
5. Center pressed flower stickers evenly onto cardstock shapes for the finishing touch.
6. OPTIONAL: Cut flowers from sticker leaving at a 1/8" edge of sticker laminate so that it does not peel apart. Apply to scrapbook page as desired.
